Attention NDGDA Health Insurance Trust & Group Employers Mark your calendars for March 7th & 8th

The NDGDA Trust is sponsoring FREE employer forums for NDGDA Trust & Group employers. The purpose of these forums is to inform Trust & Group employers about important regulations, audits and health statistics you should know to make informed decisions regarding your company's health insurance.

These forums are specifically targeted to those companies enrolled in either the NDGDA Health Trust or the NDGDA Blue Cross Blue Shield Group Plan. They will also offer you an opportunity to ask questions and receive answers from those personnel who work with your accounts and know your business. These workshops are being held in two locations to make it easier for all employers to attend.

Who should attend? The manager as well as the person(s) responsible for the implementation of your health insurance program such as human resources manager.
