NDGDA has teamed up with the Minnesota Grain & Feed Association to offer a Food Safety Modernization Act (FSMA) workshop to the industry. Managers and staff are invited to attend this workshop to review FSMA regulations and develop a pathway to compliance. The workshop is designed to give you the information and tools you need to begin compliance without spending a large amount of money on consulting fees.

The location and date has been set: **SPACE IS LIMITED SO REGISTER TODAY!**

- August 29th -- Courtyard by Marriott - Moorhead, MN

The speaker list includes local and national experts in the field of food/feed safety. Attendees will get an overview of the updated regulation as well as the requirements for compliance. Managers, supervisors, compliance and operations staff are all encouraged to attend this meeting. The charge to attend is \$90 for NDGDA/MGFA members and \$130 for non-members.
